

12 ga Thigh Rig (40 Rounds)

The 40 round thigh rig was developed to allow an officer to carry a high volume of shotgun munitions for large scale riot situations. It is unique in its design in that it has a removable rigid box that holds the shells. Additional boxes can be ordered for rapid reloading of the thigh rig. An added benefit of this removable design is that the pocket on the thigh rig can be used to carry other types of equipment. As with all our thigh rigs, it has the quick release belt system.

ITEM # 1000-020

color - Black, Woodland Camo, OD Green

Price - \$99.95 each

* One rigid internal box included *

**** A 20 round thigh rig using two of our ten round Shot Sticks will be available soon. Call for details. ****

Modular Radio Pouch

Adjustable modular radio pouch. This item is designed to hold the majority of radios used in public safety today. The 1" modular webbing version can also be used on a tactical belt. Snap and Velcro models available.

ITEM # 5000-020

color - Black, Woodland Camo, OD Green

Price - \$39.95 each

* Other Versions Available *

Deluxe Shotgun Weapons Case

This case is based on our proven Less Lethal Shotgun Weapons case. Many of our customers who purchased our Less Lethal shotgun case came back and asked for a shotgun case that went just a little beyond the standard stock models offered by other companies. Features include a removable shoulder strap, internal zippered mesh pocket and munitions pocket to hold two of our Shot Sticks or boxed ammo (Shot Sticks not included - see page 4 to order). The weapon is held securely in place by three 3/4" quick release buckles.

ITEM # 3500-001

color - Black, Woodland Camo, OD Green

Price - \$129.95 each

* Contents not included *
